## Wood Casket Supplier Company

Our Main Wood Casket Supplier Company Established in 1986. Is a specialized manufacturer of wood caskets, wood coffins and cremation urns and other related products. The factory locates in central China, which is standing at the mouth of Yangzi River and by the north side of Shanghai, China.

Our supplier make caskets and coffins of all kinds of wood, and from all kinds of veneer, like Poplar, Oak to Walnut, Cherry and Mahogany. Wide range of quality caskets are available for choosing. Meanwhile we can offer OEM services, and are provided upon clients' requests. Clients' designs and samples are more than welcome.

As our supplier always keep in our minds, casket is a piece of fine

furniture used for people after his or her death, plus the caskets have more meaning for the living and closer. They have understanding how sad their family feels and how all his relatives and friends are going to say farewell in front of the casket. That's why our supplier take caskets manufacturing very serious and pay special attention to the quality in order to provide beautiful products for our clients.

Our 2nd Wood Casket Supplier Company is a leading professional manufacturer and exporter of Wood Caskets, Coffins and Urns in China.

Our supplier has advanced special equipment and machinery and production lines of wood caskets and coffins in China.

Currently, we succeed in developing more than 40

varieties of wood caskets and wood coffins. The wood materials we use are Mahogany, Cherry, Oak, Walnut, Pine, Poplar, Paulownia etc. Over the past four years, they have gotten strong and mature technical expertise and experience, the stable and reliable production capability and the quality control system and under our supervision and advice and control.
